This has just come up - which perhaps David should know - [redacted] (Pink D guy) says he was on FORC's board (photo in his Instagram page dated Nov 2015 with John Gile). Gile is now saying he joined their board this (2016) March/April. So why?

Now after David's letter, FORC has removed the BB Court from their website - and they send out a letter saying THEY are opposed to the Court!?!?

Fishy smells. None of this was disclosed until today when a Stakeholder found the photo. This community is full of detectives.

Happy Sunday!

Thank YOU FOR ALL YOU HAVE DONE. I told you this would make David a hero. The pro-basketball folks (on the Pink Dolphin video) are not in CD4. Just FYI.
